Potential customer inquiry

01 Learn the questions

Search suggestions, DMs and WhatsApp reveal buying needs.

02 Make answers easy to find

Clear names, captions and locations. Useful Reels. Learn from Insights.

Don’t only announce products. Answer the questions customers are already asking.

Show real value

Honest demos. Accurate expectations.

Use expertise

Ask needs. Recommend suitable options.

Simplify ordering

Clear price, availability, delivery, payment.

Make buyers confident about what they are buying—and how to buy it.

The relationship should not end at payment

Paid purchase → **Helpful follow-up** → **Customer feedback** → **Repeat purchase or recommendation**

Check the experience

Follow up appropriately and ask what could improve.

Stay useful

Share care and usage tips—not endless promotions.

Learn and invite

Use feedback. Ask satisfied buyers to recommend you.

For refrigerators, a referral may come sooner than another refrigerator purchase.

Helpful customer care creates reasons to remember and recommend your business.
